

SANTA'S HAT AND INSTRUCTIONS

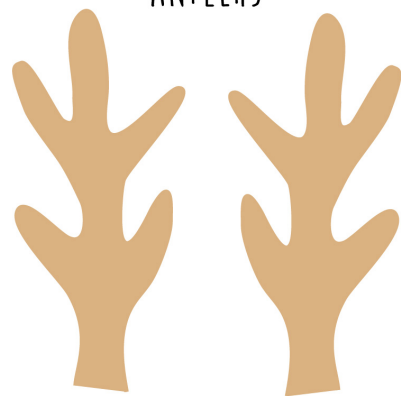

WHEN YOU HAVE CUT AROUND EACH CRACKER CHARACTER INCLUDING THE DIAMOND SHAPES, AND SCORED THE DOTTED LINES! YOU WILL BE READY TO ROLL THE CUT OUT INTO SHAPE. I HAVE USED A ROLLING PIN FOR THIS JOB AND IT WORKS PERFECTLY! USING STRONG GLUE (I USE SUPER GLUE!) GLUE THE THREE SHADED 5MM AREAS AND HOLD FOR A FEW MINUTES UNTIL SET. YOU WILL FIND IF YOU HOLD THE TWO ENDS AND PUSH TOGETHER GENTLY, THE CRACKER WILL POSITION ITSELF TO FORM THE PERFECT CRACKER SHAPE BECAUSE OF THE SCORE MARKS!! THEN SIMPLY TIE RIBBON, RAFFIA, STRING OR WHATEVER YOU HAVE TO DECORATE YOUR CRACKERS AND KEEP THEM IN SHAPE.

SANTA'S HAT

THIS TAB 'A' NEEDS TO BE GLUED AND POSITIONED BEHIND 'B' TO CREATE A CONE SHAPE.

ANTLERS

SIMPLY CUT OUT AND STICK INTO POSITION INSIDE THE CRACKER WITH A LITTLE BIT OF GLUE

CUT ALONG THE SOLID BLACK LINES AND SCORE DOTTED LINES. THE WHITE TABS ON SANTA'S HAT WILL REQUIRE BENDING BACK TO SIT JUST INSIDE THE CRACKER.
